B. Encouragement of Citizen Participation

General

The City provides for and encourages citizens to participate in the development, revision, amendment, adoption and implementation of the Citizen Participation Plan, the Assessment of Fair Housing, the Consolidated Plan, the Annual Action Plan, and the CAPER. The City encourages participation by low- and moderate-income persons, particularly those living in areas designated as revitalization areas or in slum and blighted areas and in areas where HUD funds are proposed to be used, and by residents of predominantly low- and moderate- income neighborhoods. With respect to the public participation initiatives included in this Plan, the City will take appropriate actions to encourage the participation of all its citizens, including minorities, non-English speaking persons, and persons with disabilities.

To encourage these residents to participate in the development of the Assessment of Fair Housing and the Consolidated Plan, the City will undertake the following initiatives in addition to publishing advertisements in the *Ledger-Inquirer* for these activities:

- At least one stakeholder interview or focus group session will be scheduled during the stakeholder consultation processes for each and will focus on persons with limited English proficiency, and
- The City will provide a Spanish version of meeting agendas, handouts and surveys at meetings and stakeholder interviews conducted for each planning process.

Assessment of Language Needs

The City of Columbus Community Reinvestment Department has in place a Language Assistance Plan (LAP), which is available on the City website. The Language Access Plan, as amended, shall continue to serve as the City's procedures for assessing its language needs and identifies any need for translation of notices and other vital documents.

Persons with Disabilities

To encourage the participation of persons with disabilities, the City will continue to include the following language in all of its public meeting notices published in the *Ledger-Inquirer*:

The building is handicapped accessible. Persons requiring special accommodations can make arrangements by contacting the Community Reinvestment Department, 1111 1st Avenue, 3rd Floor, Columbus, GA 31901 (phone 706- 653-4613). The City TDD number is 1-800-225-0056.

The City will conduct all public meetings in locations that are handicapped-accessible, when available.

If requested, the City will mail copies of public meeting notices to persons who are homebound and request such accommodation no less than seven days prior to the public meeting.

Low- and Moderate-Income Persons

When conducting in-person public meetings, the City will conduct at least one public meeting in a neighborhood that contains 51% of low and moderate-income residents based on HUD data, during the development of the Assessment of Fair Housing, the Consolidated Plan and the Annual Action Plan.

Organizations and Agencies

The City encourages the participation of local and regional institutions, the Continuum of Care, businesses, developers, nonprofit organizations, philanthropic organizations, and community-based and faith-based organizations in the process of developing, revising, amending, adopting and implementing all documents covered by this Plan. This will be achieved through stakeholder interviews, focus groups and/or public meetings held during the development, revision, amendment, adoption and implementation processes for all documents covered by this Plan.

Local Public Housing Authorities

The City encourages, in consultation with local public housing agencies, the participation of residents of any public and/or assisted housing developments located within the City, in the process of developing, revising, amending, adopting and implementing the documents covered by this Plan. The City will provide information to the executive directors of the Columbus Housing Authority and the Phenix City Housing Authority about the Assessment of Fair Housing, its affirmatively furthering fair housing strategy, and Consolidated Plan activities related to the public housing developments and communities so that the housing authorities can make this information available at the annual public hearings required for their respective Public Housing Authority Plans.

The City encourages participation by resident advisory boards and resident councils of local public housing authorities. This will be carried out by providing the local housing authorities information on public meetings, surveys and other outreach initiatives related to the documents covered by this Plan.

Public Notices

Public review/comment periods and public hearings held in the process of developing, revising, amending, adopting and implementing the documents covered by this Plan shall be advertised in the *Ledger-Inquirer* no less than seven days before the public review and comment period commences or the public hearing is held.

Public Hearings

All public hearings will be scheduled at times and locations that are convenient for potential and actual program beneficiaries, and with accommodation for persons with disabilities and Spanish speakers in accordance with this Plan.

Public Meetings

Public meetings will be used as an additional participation tool to supplement Public Hearings.

Technical Assistance

Staff from the Community Reinvestment Department are available to assist organizations and other eligible individuals that are interested in submitting a proposal to obtain funding through the CDBG, HOME, and ESG programs. All potential applicants are strongly encouraged to contact the Department for technical assistance before initiating a funding request application.
