Columbus Police Seek Public's Help in 2002 Missing Person Case

The Columbus Police Department is seeking assistance from the public in the ongoing investigation into the disappearance of Wanda Jean Perkins, who was reported missing nearly 23 years ago.

On May 28, 2002, at approximately 1:20 a.m., Wanda Perkins was reported missing from her residence near the intersection of 35th Street and 5th Avenue. Since that time, she has not been seen or heard from.

Investigators with CPD's Violent Crimes Unit continue to seek information regarding Perkin's disappearance and the circumstances leading up to it. They urge anyone with knowledge of this case to come forward.

Anyone with information is urged to contact Sgt. M. Dahnke at 706-326-3556 or mdahnke@columbusga.org. There is a reward available for verifiable information regarding Perkin's location or credible details that may lead to an arrest. You can remain anonymous.
