reports of a male shot inside the gym. The victim was located with a gunshot wound and pronounced deceased at the scene. Surveillance video captured the suspect confronting the victim, attempting to take his belongings, and then shooting him once in the chest. The suspect then stole items from the victim before fleeing.

“Our message is clear—if you commit violent acts in our city, we will find you, and we will hold you accountable,” said Chief Stoney Mathis. “The dedication of our officers, paired with the partnerships we’ve built, makes that possible.”

Assistant Chief Lance Deaton said, “These two are off the streets and more arrests are pending. But getting a handle on violent crime is going to take a community effort. We need every citizen to stand with us so that together, we can make Columbus safer.”

“A vicious attack like this will not be tolerated,” said Mayor Skip Henderson. “Thanks to the technology we have in place and the talent and dedication of the men and women of the Columbus Police Department, if you commit a crime like this, you have a 100 percent chance of being caught.”

The Columbus Police Department would like to thank the Russell County Sheriff’s Office, Lee County Sheriff’s Office, Sumter County Sheriff’s Office, Phenix City Police Department, the U.S. Marshals Task Force, and the CPD Violent Crimes and Fugitive Units for their tireless work.
