

Equipment Information

Summary

November 3, 2026 General Election

Ballot Marking Devices

- 385 BMDs were deployed on Election Day for May 19, 2026, General Primary/Nonpartisan Election.
- A total of 428 BMDs is available for deployment for Election Day and early voting.
- Early voting deployment will occupy 115 BMD units which will need returning and re-testing for election day deployment.

Poll Pads

- 16 poll pads with printers are available for early voting.
- Five poll pads will be sent to three locations for the first two weeks of early voting.
- The final week of early voting with 5 locations will require three poll pads per location except for the City Services Center that will have four.

All final numbers are subject to change based on logic and accuracy testing and early voting turnout numbers
